

PUBLISHED BY THE AMADOR FIRE SAFE COUNCIL
P.O. BOX 1050
PINE GROVE, CA 95665

PREPARE NOW

- Provide defensible space around structures
- Clear flammable materials from roof and rain gutters
- Trim limbs 10 feet from chimney
- For more information (See www.cdflo.org)
- Replace flammable vegetation with fire resistant plants. (See www.ucfpl.ucop.edu/HOGarden)
- Use fire resistant siding and roofing
- Make sure your water tank is full and the hydrant is accessible and marked with a blue reflector
- Have garden hose and ladder available that will reach the roof
- Locate escape routes and shelter in place locations (See map inside)

EVACUATION PROCEDURES

- Citizens may be notified by phone (Reverse 911), fire personnel, and/or law enforcement personnel if evacuation is necessary
- Safely make your way out of the area If unable to evacuate completely, go to the nearest shelter -in-place (see map)
- Red Cross will establish evacuation centers
- If evacuated, contact the Red Cross to provide information about your status so that your family can be informed
- After the area has been evacuated, the area will remain closed until the threat has passed
- MOST IMPORTANTLY! If you feel unsafe, follow the checklist items and get out

IF YOU ARE TRAPPED

In your home (shelter-in-place)

- Stay inside until the fire passes
- Close all windows
- Keep all doors closed but unlocked
- Keep family together and stay calm
- Remember if it gets hot inside your home, it is hotter outside

In your car

- Park away from vegetation
- Roll up windows
- Cover yourself with a blanket or coat
- Cover mouth with a dry cloth to protect airway
- Stay in car until fire passes
- If the vehicle catches on fire, exit only when fire passes

On foot

- Find an area away from vegetation
- Lie face down

AFTER THE FIRE PASSES

- Check your roof and exterior of your home, extinguish all sparks and embers
- Check your attic for hidden embers
- Check your yard for burning wood piles, trees, fence posts, and other materials

RETURNING HOME

- Emergency managers will decide when it is safe to return
- Information will be available through the Cal Fire information line, the media, at road blocks, and in shelters

Volcano Area Wildfire Evacuation Guide

*You live in wildfire country.....
Are you prepared to evacuate?*
